

Congratulations Julie

Julie Petrini, Chief Executive Officer of Hospitals for Sutter Health Bay Area, is a renowned longtime healthcare executive and advocate. For more than 30 years, Julie has been instrumental in advancing healthcare services for all members of the community.

Prior to working with Sutter Health, Ms. Petrini served as senior vice president and chief administrative officer overseeing operations of 11 medical centers and the rebuilding of two hospital projects. She is currently also a trustee on the California Hospital Association.

Thanks to great leaders like Julie Petrini, Sutter Health is proudly caring for Northern California.
