

Across our not-for-profit network, in more than 100 Northern California communities, we are building a truly integrated system that could one day serve as a national model for quality and efficiency.

### Recognized Nationally

Truven Analytics recognized us in 2016, as a top five large health system in the nation for saving more lives, having fewer complications and spending less per patient episode of care.

### Serving Diverse Communities

We compassionately care for more than 3 million patients from some of the most ethnically and economically diverse communities in the world; speaking more than 100 different languages.

### We Give Back

Not-for-profit Sutter Health invested \$612 million in 2017 to provide care for patients in need and to support community health programs.

### Caring For Underinsured

Our hospitals compassionately care for more low-income Medi-Cal patients in Northern California than anyone else – investing \$334 million in 2017.

### Committed to Affordability

Our doctors and hospitals partner to reduce variation and adopt best practices. On average, total charges for an inpatient stay in a Sutter hospital are lower than what other Northern California hospitals charge.

### Supporting Local Economies

As one of the largest employers in Northern California, we are more than 53,000 employees strong. We invested more than \$10 billion in the past decade to build and improve healthcare facilities and to launch cutting-edge technologies.

*Sutter East Bay Medical Foundation is an integrated healthcare delivery system working in partnership with local hospitals, community physicians and healthcare organizations.*

*Part of the Sutter Health network, we operate care centers in Albany, Antioch, Berkeley, Brentwood, Castro Valley, Oakland, Orinda and Richmond, SEBMF is able to offer high quality medical care close to patients and their families.*

### Best of the Best

The California Association of Physician Groups annual Standards of Excellence Survey recognized us in 2017 with its Elite Status – the highest possible honor.

### Healthcare Quality

Integrated Healthcare Association honored us for the greatest quality improvement for Bay Area organizations from 2015 to 2016.
